**Martin C. McCarthy, CPA, CCIFP, Elected to Serve on the Council
for the Pennsylvania Institute of Certified Public Accountants**

Lafayette Hill, PA, August 17, 2018 – Martin C. McCarthy, CPA, CCIFP, managing partner of McCarthy & Company, PC, a leader in construction accounting, has been elected to serve as a member of the esteemed Council of the Pennsylvania Institute of Certified Public Accountants (PICPA).

The PICPA Council guides the strategic direction of the organization, identifying and advising members on issues of importance to the accounting profession and the PICPA. McCarthy's duties as a Council member will include:

- Evaluating and revising the strategic plan for the PICPA
- Authoring resolutions on issues impacting the profession on behalf of the PICPA
- Overseeing the Bylaws Committee, which is responsible for proposing changes to the PICPA bylaws and preparing such amendments for submission to members.

All members of the PICPA Board are also members of PICPA Council, as well as representatives from each PICPA chapter, and twelve additional at-large members.

"The work done by PICPA Council is important to the professional growth and enrichment of every CPA and aspiring CPA in the Commonwealth of Pennsylvania," explains McCarthy. "I am honored to sit on the Council and to serve the PICPA membership." McCarthy also sits on the PICPA Construction Industry Conference Committee.

In addition to being active in PICPA, McCarthy is a member of the American Institute of Certified Public Accountants (AICPA), Construction Financial Management Association (CFMA), National Association of Surety Bond Professionals (NASBP), Construction Association of Eastern Pennsylvania (CAEP), and the Utility Transportation Contractors Association (UTCA). He is frequently published on tax, audit, finance, business, and management topics in construction industry publications, including *Managing Your Business* (now *CE This Week* published by Construction Executive) and *Utility and Transportation Contractor* (UTCA). McCarthy speaks on these topics at construction trade conferences such as the CFMA Mid-Atlantic Regional Conference and is a presenter for the NASBP webinar series.
